## ***Documentation for Naloxone (Narcan®) Documentation***

The use of Naloxone (Narcan®) shall be documented in two (2) locations.

1. Providers are required to document the use of Naloxone (Narcan®) in a patient care report.
2. In addition to the agency's patient care report; providers are required to complete the brief Department web-based Naloxone (Narcan®) Reporting form.

Both patient care report and Naloxone (Narcan®) Reporting form must be completed within 24 hours of medication administration.

### **To access the Department's Naloxone (Narcan®) Reporting form:**

- Log on to: <http://www.state.nj.us/health/ems/>
- Click on the "Naloxone (Narcan®) Program" grey tab located on the left side of the page
- Select "Medication Administration Report" and click on the link to access the report
- Please complete the entire form and hit the submit button (You are not able to save and return later).
- You will receive a confirmation number once you have completed and submitted the form
- Please save this number for your records

### **For agencies utilizing Gold compliant ePCR software:**

Follow your ePCR administrator's instruction on documentation of Naloxone administration so it may be recorded appropriately.
